VIVA Cal-Mag & D Plus

Nutrients for strong bone and teeth

Cal-Mag & D Plus from VIVA Life Science is a formula consisted of calcium, magnesium, zinc and vitamin D3. Calcium is an important mineral to build strong bone and teeth.

Besides, Cal-Mag & D Plus also contains nutritious concentrate, which is concentrated from eight types of fruits and vegetables. It does not contain coloring, artificial flavors or preservatives.

Every tablet of Cal-Mag & D Plus provides 250mg calcium, which is crucial to bone and teeth health.

Directions:

Take 2 tablets twice daily.
